Our home has two floors and **housemates share communal areas** including a living room, kitchen / dining room, and a bathroom.

## A place to call home

Bedrooms at Brook Lodge are spread across the ground floor and first floor, with some offering **en-suite facilities**.

Some of our rooms also have additional **accessibility features** such as manual hoists and disability chairs.

The people we support at our home are mostly men aged 40+. They enjoy being sociable but also like their own space, routines and independence.

Our current housemates enjoy getting involved in the local community, which offers various **fun activities** specialised for those with learning disabilities! These include scenic walks into the forest and volunteering with charity Enviroability.
