# Brook Lodge

Brook Lodge is a **male-only residential care home** in Longhope, Gloucestershire. Our specialist team support up to eight people with autism, learning disabilities, challenging behaviour, epilepsy, and mental health needs.

Our detached home has seven en-suite bedrooms and an annex, spread across two floors. We have plenty of **communal areas** including two laundry rooms, a conservatory, an activity room, and kitchen. We love to be entertained. Our lounge is ideal for watching TV together, and upstairs, we have a projector for our own at-home cinema experience!

We benefit from good **public transport links**, with bus routes to Ross-on-Wye, Gloucester, and into the Forest of Dean - great for scenic walks!

## A place to call home

At Brook Lodge, we encourage the people we support to get involved in regular **activities**, both at home and in the local community. Some of our favourites include visiting local social clubs and playing football! Each person has activities tailored to their own hobbies and interests.

By using person-centred support, we empower the people we support to be as independent as possible. We support them to develop **valuable daily living skills**, and make decisions about the care and support they receive, ensuring they live a life that's meaningful to them.
