BRAIN INJURY REHAB by

**voyage**care

# Linnet Mews

Located in Chesterfield, Linnet Mews is a **purpose built brain injury rehabilitation centre**, dedicated to supporting up to ten individuals.

With **six ensuite bedrooms** for those needing extra support, and **four apartments** for those wanting more independence, it's the perfect place to start or continue your rehab journey!

Focusing on long-term goals, we specialise in **slow-stream rehabilitation**, supporting you to **regain lost skills** and live more independently.

The first floor is home to our very own **therapy quarter**, including a fully-equipped gym and therapy consultation room. This floor can be accessed via our **purpose-built lift**.

Nestled in a quiet cul-de-sac, Linnet Mews is enveloped by trees providing a peaceful environment, but has easy access to **local amenities** too.

If you like exploring the outdoors, Linnet Mews is close to scenic parks. Plus, we benefit from local health facilities, so you can **take control of your health and wellbeing**.

# Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

# Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

**Multi-functional gym**, featuring specially selected equipment to enhance physiotherapy delivery.

**Training kitchen**, for those wanting to redevelop and put their daily living skills into practice!

**Dedicated therapy quarter**, to support all of your rehabilitation needs!

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Art Therapy, Psychology and Physiotherapy**.

To support your rehabilitation, we promote a range of **functional and social activities** at home and in the local community.

# Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

## **Your choice - you in control**

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

## **Support to live your life**

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

## **Expert professionals**

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

## **Use of technology**

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

# Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding\*** by the Care Quality Commission.

**Our highly trained, specialist teams** use an individualised approach to their support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.

*\*Data accurate as of January 2024.*

All our brain injury rehabilitation services are rated **Good or Outstanding** by the **CQC!**

**16** of our brain injury rehabilitation services are accredited by **Headway**

# About Voyage Care

Voyage Care is a sector-leading provider of specialist care and support to 3,500+ people with learning disabilities, autism, brain injuries and complex needs.

We offer person-centred care in a range of settings. This can be out and about in the community, in your own home or in one of our residential care homes.
