Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

Fully equipped gym, empowering you to maintain a healthy lifestyle and regain physical mobility.

Home-based activities, promoting your wellbeing in a fun and functional way.

Community-based activities, so you can develop your skills and grow your confidence in the local area.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Speech and Language Therapy, Occupational Therapy, Physiotherapy, Music Therapy and Cognitive Behavioural Therapy (CBT)**.

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.
