Our service is adapted to support those with **mobility needs**.

We motivate the people we support to **engage in activities** in the local community, such as courses at local education facilities!

We have **great transport links**, convenient for exploring the local area.

# Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

# Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

**Exercise room**, empowering you to maintain a healthy lifestyle and rebuild your mobility levels.

**Volunteer placements**, giving you the opportunity to develop your skills and build relationships with others.

**Therapy pet visits**, to enhance mental wellbeing and promote physical activity.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include, **Occupational Therapy, Physiotherapy and Speech and Language Therapy.**

# Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

## **Your choice - you're in control**

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

## **Support to live your life**

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

## **Expert professionals**

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

## **Use of technology**

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

# Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding** by the Care Quality Commission.

**Our highly trained, specialist teams** use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.
