12 Channel Lea

12 Channel Lea is a **male-only** residential care home in Walmer, Kent. We provide **high-quality support for up to three people** with learning disabilities, autism, mental health needs and challenging behaviours.

Our three bed home consists of two floors, with a communal toilet downstairs and a bathroom upstairs. We have plenty of communal areas including a lovely living room and kitchen, where the people we support can practice their daily living skills like cooking and cleaning!

At the rear of the property, we have a **secluded garden** - great for enjoying meals outside in the warmer weather!

Our home is situated in a quiet town, with easy access to the beach and **local amenities** such as a local newsagent and chemist!

We benefit from **good transport links**, which we regularly use to visit nearby towns.

A place to call home

Our dedicated team work with the people we support to create **person-centred care plans** and **positive behaviour support plans**, enabling tailored and consistent support.

We support individuals to develop their **independent living skills**, giving them the guidance needed to step-down into support living, or independent living accommodation if they wish.

The people we support are encouraged to create their own weekly activities programme. Our home has built strong links with a local adult education group as well as numerous clubs offering a wide variety of activities and opportunities to **socialise and gain new skills**.
