Hillbrow House

Hillbrow House is a residential care home in Dover, Kent. We provide **high-quality support for up to nine people** with learning disabilities, epilepsy, dementia, mental health needs and challenging behaviours.

Our home includes a main house with five bedrooms which includes a self-contained flat, as well as a detached bungalow with three bedrooms.

At the rear of the properties, we have a **communal garden** where the people we support enjoy spending time with nature. We also enjoy hosting barbecues and picnics in the warmer weather.

We are located near to the town centre with easy access to shops and good transport links for day trips. The people we support also have access to local parks, sports centres and supermarkets!

A place to call home

Our home is ideal for a **mobile individual** who enjoys socialising and engaging in the local community. We encourage all of the people we support to keep fit and those that live here enjoy going for walks.

There's plenty of **activities** to enjoy at Hillbrow House, both inside and outside of the home. This includes visiting lovely local beaches, where we enjoy lunches and walks along the seafront, shopping, trips to the cinema, pamper sessions and attending the local activity centre!
