Pembroke Lodge

Pembroke Lodge is a residential care home in Newcastle upon Tyne. We provide **specialist support for up to 15 people** with autism, low levels of challenging behaviour, epilepsy, physical disabilities, and mental health needs.

Our spacious home has 15 bedrooms split across two floors. Each bedroom benefits from an en-suite shower room - ideal for personal care needs. The people we support are welcome to bring their own personal items to help them to **feel more at home**.

We have **plenty of communal areas**, including a lounge, a quiet room perfect for relaxing or reading, an airy conservatory and a skills kitchen for independent cooking!

Outside our home we have **two gardens** for the people we support to enjoy quality time with family or soak up the surrounding nature.

A place to call home

Our team focuses on empowering the people we support to make their own decisions and live as **independently as possible**. Putting them at the heart of what we do, we work with the people we support to create care plans tailored to individual needs and preferences.

We encourage active participation in **local community activities**, including visiting the pub, golf days and going to the cinema. We have day trips to the beach, York, Flamingo Land and Beamish!

We also host an **annual summer fair** and in-house activities such as bingo, BBQs and quizzes.
