Red Gables

Red Gables is a **residential care home** set in the coastal town of Burnham-On-Sea, Somerset. We provide **support for up to 10 people** with autism, cerebral palsy, diabetes, epilepsy, learning and physical disabilities.

Our spacious home features lots of **communal areas**, including two lounges, a dining room and kitchen – perfect for helping the people we support to increase their independence and learn key life skills. We also have a conservatory, a sensory area and a small annexe.

We regularly organise enjoyable **activities, entertainment, and day-trips**. These include trampolining, tenpin bowling, swimming, cinema trips, atmospherics and going to the pub. We also enjoy holidays and celebratory parties.

A place to call home

We encourage the people we support to be the best they can be, through **adapted environments and approaches** to empower and enable individuals to thrive.

We have a culture of open support, which ensures we deliver person-centred care to a high standard. Each person is supported to **develop their feelings and emotions** in a positive way, helping them achieve their wellbeing outcomes.

The people we support also get involved in a range of **in-house activities** such as creative ability, holistic therapy, music sessions, and cooking and baking.
