Abbey Gardens

Abbey Gardens is a warm and welcoming nursing care home in Dumfries. We provide **personalised support for up to 32 people** with low levels of challenging behaviour, dementia, epilepsy, physical disabilities, and mental health needs.

Our home is a **purpose-built bungalow**, split into four separate wings surrounded by a reception area. Inside each wing are eight bedrooms with en-suite facilities, a shared lounge, dining room and kitchen. The people we support are encouraged to bring their own personal items to help them to **feel more at home**.

Our team encourage the people we support to **engage in fun activities** that are tailored to their interests. These include arts and crafts, gardening, exercise classes, cooking and baking, games and relaxation/beauty therapy.

A place to call home

We also enjoy **days trips** including visits to the local town centre, the arts centre, local landmarks and points of interest such as Caerlaverock Castle and Dalscone Farm Fun, and leisurely walks in the surrounding countryside.

The wider home has additional **shared communal spaces** including a laundry room, a large catering kitchen, and an activity/sensory room.

Outside our home is a **beautiful, secluded garden** with seating for the people we support and their families to enjoy in the sunshine.
