How we support you

As the **leading specialist** adult social care provider, we pride ourselves on delivering great quality **person-centred** care and support. Our quality framework ensures that your goals and aspirations are at the heart of everything we do.

We understand the importance of finding the right home and environment. We work collaboratively with you and your support network to identify and source the **right setting for you**.

Our local support teams can help you to live a more independent lifestyle, and support you in engaging with your local communities. Support is available for just a **few hours or 24 hours a day**, tailored to your individual needs and requirements.

Whether that's in your own home, in supported living or in a registered care home, you can rely on us for **safe, flexible and personalised support** in a setting that meets your needs.

As parents, we feel Voyage Care has taken on board that what we've said is important for our son. We feel listened to and that it is a real partnership.
