The Grange

The Grange is a **nursing care home** located in Liss, Hampshire. We support up to 15 individuals with learning disabilities, physical disabilities, epilepsy, and sensory impairments.

Our home is made up of two properties, the **main house** that supports 14 individuals, and a **bungalow** where one other person is supported.

The home has a large **welcoming communal areas**, such as a lounge, kitchen and beautiful garden that wraps around the house!

There are three shared bathrooms on the first floor, and a shared shower room and wet room on the ground floor. Three of the bathrooms have **overhead hoist facilities – perfect for those with mobility needs**.

Our bungalow has it's own bedroom, kitchen, lounge and bathroom, great for somebody **seeking further independence!**

A place to call home

Our home is located close to **great public transport links** - making it easier for the people we support to access the community.

We have **three on-site vehicles, two of which are wheelchair accessible** – helping us take the people we support out for day trips and leisure activities in the local area and further afield.

The people we support are **very sociable and enjoy a range of activities** and day trips out including, music for health sessions, theatre shows, bowling, cinema trips, cycling, and swimming.

We aim to empower the people we support to be as independent as possible by supporting them to **develop daily living skills!**

Your needs at the centre of all we do

Whether you need support for a few hours or around the clock, our support teams can help you live a more independent life.

Your choice, you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We offer high quality, bespoke support and enable you to enjoy everyday life.

Your independence

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all decision making.

Use of technology

Where relevant, we work with you to identify assistive technology to enhance your support, reduce support hours and progress towards greater independence.

Quality care and support

We're committed to providing **high-quality, person-centred care and support**. Our goal is to help you live the fulfilling, meaningful and happy life you choose, with as much or as little support as you need.

Our highly trained, specialist teams work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.
